

 Cleantech uniformed housekeeping crew operating mechanized floor equipment and sanitizing reception desk in a corporate building

Workplace Sanitation, Mechanized Hygiene & Brand Excellence.

A spotless workplace boosts workforce productivity, protects corporate health, and creates an inspiring first impression for visitors. Cleantech delivers end-to-end commercial housekeeping and day-care janitorial services across IT campuses, healthcare facilities, industrial complexes, and commercial towers throughout India.

Core Housekeeping Solutions

Mechanized Floor Scrubbing

Single-disc scrubbers, high-speed rotary polishers, and wet/dry vacuum extraction for deep sanitization across granite, vitrified tile, and epoxy flooring.

Daily Janitorial & Day-Care

Dedicated multi-shift upkeep of employee workstations, corridors, visitor reception counters, lift lobbies, and high-frequency touchpoints.

Washroom Deep Disinfection

Hospital-grade descaling, non-acidic sanitization, odor control programs, and timely restocking of essential hygiene consumables.

Cafeteria & Pantry Sanitization

Food-grade microbial surface wiping, commercial kitchen degreasing, waste bin clearance, and dining table turnarounds before peak shifts.

Internal Glass & Facade Wiping

Streak-free microfiber wiping and squeegee treatment for floor-to-ceiling glass partitions, executive cabins, and entrance vestibules.

Waste Management & Segregation

Strict dry/wet and hazardous waste segregation, touchless bin clearance, and environment-compliant disposal according to municipal norms.

DISRUPTION WORKFLOW

Standard Operating Protocol & Cleaning Frequency

Area / Asset	Frequency	Mechanized Methodology & Scope
Lobbies & Corridors	Continuous / Hourly	Mechanized scrubbing, damp microfiber mopping, entrance mat vacuuming, and spot wiping.
Workstations & Cabins	Pre-Shift & Evening	Static-safe electronic dusting, desk sanitization, bin clearance, and telephone wiping.
Restroom Complexes	Every 30 Mins Audit	Hospital-grade fixture disinfection, mirror descaling, floor drying, and replenishment checklist.
Pantries & Cafeterias	Pre & Post Meal Shifts	Food-safe antimicrobial sanitization, microwave/fridge exterior wiping, and degreasing.
Glass Partitions	Daily / Bi-Weekly	Streak-free descaling with telescopic microfiber squeegees up to 12 feet elevation.
Deep Floor Scrubbing	Weekly / Fortnightly	Single-disc rotary scrubbing with neutralizing foam extraction during non-business hours.

On-Ground Execution Across Workspaces

 Cleantech housekeeper sanitizing workstation tables and computer monitors in corporate office

Workstation Sanitization

 Housekeeper cleaning pantry tables and maintaining hygiene in commercial cafeteria

Cafeteria & Dining Upkeep

 Cleantech cleaning specialist wiping down entrance glass doors and metal handles

Entrance & Glass Care

Vetted Personnel
